

**ADVERTISEMENT FOR INVITING CONSULTANTS TO WORK WITH ICAI
ACCOUNTING RESEARCH FOUNDATION ON APPLIED RESEARCH
PROJECTS (in Mumbai)**

ICAI Accounting Research Foundation (ICAI ARF) established by the Institute of Chartered Accountants of India in January, 1999, as a Section 25 Company, for promoting research in the areas of accounting, auditing, capital markets, fiscal policies, monetary policies and other related disciplines. Over the years, ICAI ARF has accelerated its work programme as an academy for imparting, spreading and promoting knowledge, learning, education and understanding in the various fields related to the profession of accountancy. The ICAI ARF has undertaken and completed many projects in the past involving basic and applied research with an objective of raising the level of corporate governance, management, accounting and financial reporting. High quality research projects based on practical experience with theoretical extrapolations also provide valuable inputs in formulation of policies and implementation thereof at macro and micro levels.

ICAI ARF invites applications from interested professional to be associated with it in its ongoing and up-coming projects. These projects demands exposure to/in areas such as supporting various aspects of accounting reforms in government departments / organisations, extending support in designing financial modules, developing compliance management frameworks.
